

HOW TO – UPLOAD PHOTOS TO CHAMELEON (WEB)

Photos must be taken in landscape format. That means the long way.... Turn your phone so that the home button is on the right side.

Attach to an email

Send to: vcasphotos@ventura.org

Subject line: A999999

Do not put text into the body of the email.

Do not put the photo in the body of the email – it must be an attachment.

One photo can be sent at a time.

The most recent photo will be the first photo seen online. It is also the photo that will print on the kennel card.

Meet Ginny

ANIMAL ID: A641224

I am currently in foster care. Please contact our Foster Coordinator by email for information about adopting me.

Ginny is a sweet and mellow girl. She has a broad vocabulary and uses it to get her point across. As the only girl in a litter of four boys she is quite as roudy as her brothers. Instead she prefers to find a soft place (preferably your lap) to curl up and watch. She loves getting her head and neck scratched and her favorite game is to chase your feet under a blanket. While it's not her favorite thing she will let her claws be trimmed with little fuss. She gets along good with other cats as well as dogs (she grew up with beagles) and kids. Call, text, or email her foster mom if you want to meet Ginny. (805) 915-7257 or toba_01@hotmail.com
